

Junior Java Developer (full/part time)

In Commerzbank Digital Technology Centre Prague, we are transforming a traditional bank into a digital agile enterprise! We provide a wide range of various IT solutions, .Net and Java development, services in the area of application operation and infrastructure. We are looking for thinkers with unconventional ideas and in return, we offer the freedom to create own job with own vision, wide range of benefits including home office. Sounds interesting?

Shape the future of banking with us!

Note: Dear candidates, we are currently doing interviews via e-tools (audio/video conferencing)

Junior Java Developer for Counterparty Risk team (70% part-time / full-time)

We are looking for an open-minded and proactive team player whose passion is communication and software development to join our growing team and participate in software design, development, and all technical aspects of a project's life-cycle in agile environment.

For our Counterparty Risk Prague cell, we are looking for Software Engineer Junior to work alongside our more experienced Software Engineers on interesting projects.

If you are still studying, we are offering part-time job, 70 % of full-time working hours is the minimum. This is targeted to students in the last grade who will be able to join us full time in one year latest. Full time from the very beginning is of course possible.

You will be responsible for:

- Software development in agile team
- Participating in full life cycle of software development within a team
- Full transparency regards to the development status, risks and impediments

Profile:

- Must-haves: understanding of JAVA programming, knowledge of SQL in databases

- Would be a plus: Spring framework, Cloud computing, OOP and software patterns
- Positive attitude about Agile/Scrum development methodology
- Communication skills in English, German is an advantage
- Independent logical and analytical thinking
- Position is suitable for candidates without working experience motivated to learn new skills and technologies. You will have opportunity to learn with our training program

We offer:

- A friendly, inclusive and open-minded company culture
- A competitive salary with a very decent annual bonus system
- A sophisticated program of further professional training and personal growth
- Home office, flexible working hours and an enjoyable relax corner where you can recharge your batteries
- Attractive fringe benefits incl. up to 30 days of vacation, paid sick leaves and sponsored public transport
- Modern offices in Karlovo náměstí, amazing multicultural colleagues and so much more!
